## Quad Bike Filter Kits

### K & N Filter Kits

#### Product Description

K&N filter kits with outerwear. This filter is designed to increase horsepower and acceleration with a washable, reusable design. The race proven outerwear is manufactured from a durable polyester material. This unique material contains uniform micron openings that will filter out debris .005 or larger. Dyno testing has shown no significant loss of horsepower or air intake. Certain models require an aluminium adaptor - call us to check.
